

GOD'S MODEL OF INTEGRITY

Joe Wright Griggs

The World is desperate to see
God's Model of Integrity!
It's God:'s Holy Spirit's Pow'r
That this integrity can flow'r.

The Soil: A single minded soul.
whose "many selves" have been made whole;
an integrated mind and heart:
With yielded Will to do one's part.

The Seed: God's Word on Kingdom Goals
Where there's reversal of all roles;
The meek and those whose hearts are pure
Shall in God's Kingdom, long endure.

The Sower: Jesus Christ, God's Son
Had sown the Seed, And when He'd done
He gave Himself to set us Free
To Model His Integrity!

The values of this world will vie
With all God's Laws: We know "The Lie;"
Repeated often, "they" will say:
"Everyone does, so it's okay"

One sells a vote bought by a PAC,
A title buys a "Token Black,"
For greed, a broker breaks the law
Revealing "inside trading's flaw."

In pain, we ask: "What can be done?"
God's Perfect Model was His Son!
But He now calls on us to be:
Model's of His Integrity!

INTEGRITY: Adherence to moral and ethical principles: Honest, Incorruptible
Jesus told His Disciples: "*You are the salt of the earth ..*" "*the Light of the World...*"
Matthew 5:13-14 from The King James Version of the Bible
