

GRACE

Joe Wright Griggs

Grace: "God's Riches at Christ's Expense"»

What a Word and Definition!

No Greater Price before or since -
Christ paid All for our Contrition!

Christ left Glory to come to earth .
(He was part of the Great "I AM") -
*Exchanged Godhead for human birth
To die as Sacrificial Lamb!*

The sad, sad story of mankind
Is its refusal of God's Grace -
Thus all the spiritually blind
Use human thought to make their case.

Man's religions are based on works -
(Mankind is thus placed on the throne
Trusting "karma" to raise their perks)-
God's Grace is moot, and thus unknown.

None of man's systems can erase
The penalty for mankind's sin.
*But God has Sent His Gift of Grace -
In Jesus' name we're welcomed in!*

*Each human must accept God's Gift -
Repent his sin, trust in The Son!
Must recognize none else can lift
Save The Completely Guiltless One!*

The Writer of the Book of Hebrews asks this most penetrating question:
*"How shall we escape, if we neglect so great salvation ... God also
bearing them witness, both with signs and wonders, and with divers
miracles and Gifts of the Holy Ghost, according to His Will?"*
Hebrews 2:3-4 from The King James Bible
