

RELINQUISHMENT

Joe Wright Griggs

Naaman was a man of valor -
But he suffered as a leper.
His King sent him to Israel -
"Ask the Prophet to make you well!"

A servant gave Naaman God's Plan:
"Go bathe in the Jordan, my man -
Just dip seven times - you'll be healed!"
(God's cure for Naaman was revealed.)

But Naaman 's concepts were not met -
Right away he started to fret:
"Elisha, himself, should have come -
There are cleaner rivers back home!"

In a rage he planned to depart -
But before he ever could start -
His staff succeeded to compel
For him to try - God made him Well!

The Moral is For Us to Know:
God Longs to Heal and Help Us Grow.
We Must Relinquish: "I'm Right - I'm Free"
To God's "Great Sovereign Authority !"

"Then (Naaman) dipped himself seven times in (the) Jordan
..... And his flesh came again like the flesh of a little child, and
he was clean!" II Kings 5:14 from The King James Bible
The Prophet Isaiah quoted God: "For my thoughts are not
your thoughts, *neither are your ways My Ways, saith The Lord!*"
Isaiah 55:8 from The King James Bible
